

RULE	GENERAL RULES AND REGULATIONS
47 (new)	<p style="text-align: center;">DEPRECIATION FACTOR ON CLAIMS FOR LOST OR DAMAGED ITEMS</p> <p>When settling a claim for loss or damage, carrier shall use the replacement cost of the lost or damaged item as a base point to apply a depreciation factor to arrive at the current actual value of the lost or damaged item; provided that where an item cannot be replaced or no suitable replacement is obtainable, the proper measure of damages shall be the original cost, augmented by a factor derived from a consumer price index, and adjusted downward to reflect depreciation over average useful life. This Item will take precedence over corresponding provisions of Item 19 (Claims).</p>
58	<p style="text-align: center;">REMOVAL OR PLACEMENT OF PROPERTY FROM OR TO INACCESSIBLE LOCATIONS</p> <p>It is the responsibility of the shipper for removal or placement of property from or to attics, basements and other locations, and to make property available to the carrier where the location of property and goods to be shipped or delivered is (1) not accessible by a permanent stairway (does not include ladders of any type), (2) not adequately lighted, (3) does not have a flat continuous floor, and (4) does not allow a person to stand erect. If the shipper or owner requests and carrier agrees to removal or placement of property from or to such areas not readily accessible, Item 60 (Labor Charges) of Rate Tariffs will apply for this service.</p>
