Explanation of Symbols

Symbols	Explanation
(4) ◆▲	<p>Provisions of this tariff will not apply only when a single shipper tenders and pays for 5 or more shipments moving between points in Illinois during a service period, which is defined as 12 (twelve) consecutive months following carrier's receipt by registered mail of shipper's written intent to utilize Tariff 40, MF-ILL.C.C. 2 (supplements thereto and reissues thereof), issued by Allied Van Lines, Inc. Shipper's written statement shall stipulate that:</p> <p>a) Shipper agrees to pay all applicable charges for each shipment upon its completion.</p> <p>b) At the end of the service period, carrier will provide shipper with complete listing of all shipments tendered during service period, along with a final statement of charges for each shipment. If at the end of the service period shipper has failed to tender the number of shipments according to the written agreement, shipper must pay corrected billing (determined from the transportation charges named in IMTBI Tariff 17, minus the amount originally paid during the service period).</p> <p>c) If the service period is interrupted due to strike, equipment breakdowns, fire, or natural disasters, the service period will be extended for a like period.</p> <p>d) Carrier will maintain complete records of all shipments at carrier's principal office, which will be available for examination upon shipper's request.</p>
(6)▲	Provisions of this tariff will only apply when origin of property is within the counties of Cook, DuPage, Kane, Kendall, Lake, McHenry, and Will. For rates to apply when origin of property is the aforementioned area, see IMTBI Tariff 1.
(7)▲	Provisions of this tariff will not apply when origin of property is within the counties of Cook, DuPage, Kane, Kendall, Lake, McHenry, and Will. For rates to apply when origin of property is the aforementioned area, see IMTBI Tariff 15.
