Carrier will support the basis for this amount with an applicable document from the credit card issuer. A separate document verifying the agreement to pay this added fee will be signed and dated by both the carrier and the party responsible for payment. If the party responsible for payment does not wish to pay the added fee for use of a credit card, then payment for moving charges must be made in cash, cashier's check, or money order, or other form of payment agreed to by the carrier in writing in advance of the move.
